SOFTWARE SERVICES AGREEMENT

Version 2.0 — Amendment Draft

Effective Date: 15 September 2026

Client: Northstar Retail Group Ltd.

Service Provider: Vertex Digital Solutions LLC

Purpose: Design, implementation, hosting, and support of a cloud-based inventory analytics platform.

2. Project Schedule and Milestones

Milestone	Target Date	Acceptance Criteria
Requirements & architecture	30 Sep 2026	Approved architecture document
Prototype	20 Oct 2026	Dashboard prototype demonstrated
User acceptance testing	27 Nov 2026	Critical defects resolved
Production launch	15 Dec 2026	Platform available to authorized users

1. Scope of Services

The Provider shall design and deploy an inventory analytics platform including a web dashboard, role-based access control, automated weekly reports, API integration with the Client's ERP system, production monitoring, configuration, testing, documentation, and one administrator training session.

3. Fees and Payment

The total implementation fee is USD 48,000, payable as follows: 30% upon signing, 40% upon delivery of the prototype, and 30% upon production launch. Hosting and support are billed separately at USD 1,500 per month.

4. Service Levels

For production incidents classified as Severity 1, the Provider will acknowledge the incident within 2 hours and provide continuous remediation efforts during business hours. Severity 2 incidents will be acknowledged within 8 business hours. Scheduled maintenance will normally be announced at least 48 hours in advance.

5. Data Protection and Security

The Provider shall use reasonable administrative, technical, and organizational safeguards to protect Client Data. Access to production systems shall be limited to authorized personnel. The Provider shall notify the Client without undue delay after confirming a security incident involving Client Data. Client Data shall not be sold or used for advertising.

6. Confidentiality

Each party shall protect the other party's Confidential Information using at least reasonable care and shall use such information only to perform or receive services under this Agreement. Confidentiality obligations survive termination for three years.

7. Intellectual Property

Upon full payment, the Client receives a perpetual, non-exclusive license to use the custom dashboard, configuration materials, and documentation delivered specifically for the Client. The Provider retains ownership of pre-existing tools, reusable libraries, templates, and general know-how.

8. Warranties and Liability

The Provider warrants that the services will be performed in a professional manner consistent with generally accepted industry practices. Except for confidentiality breaches, fraud, or willful misconduct, each party's aggregate liability arising from this Agreement shall not exceed USD 60,000.

9. Term and Termination

The initial term is twelve months from the Effective Date and renews month-to-month thereafter unless either party gives 30 days' written notice. Either party may terminate for a material breach that remains uncured for 15 days after written notice. Upon termination, the Client shall pay undisputed fees for services performed through the termination date.

10. Business Continuity

The Provider shall maintain daily backups of production data and target a recovery point objective of 24 hours and a recovery time objective of 8 hours. Disaster recovery procedures shall be reviewed at least annually.

11. Governing Law and Disputes

This Agreement shall be governed by the laws of the State of New York, without regard to conflict-of-law principles. The parties shall first attempt good-faith negotiation. If unresolved within 30 days, disputes shall be submitted to the state or federal courts located in New York County, New York.

12. Amendment Notes

This Version 2.0 changes the UAT target date from 20 November 2026 to 27 November 2026, changes the production launch from 1 December 2026 to 15 December 2026, and changes the aggregate liability cap from the fees paid or payable during the preceding twelve months to USD 60,000.
